Partner Performance

Examples of Immediate Impact

"We really appreciate all the support that you at Secure Families Collaboration has given us—not just financially, but through the regular check-ins and genuine interest in how we're doing. Your encouragement and guidance have helped us stay on track with our goals and deliverables. Because of that support, and the collaboration you've helped build among all of us, we've been able to make an even bigger impact in our community. I also feel that this partnership among our partner nonprofit organizations has made us all stronger and better equipped to serve our communities."

December 2025 Midterm Report

Recommendations & Action Plan

What Worked

- Partners are meeting deliverables for KYR and Family Preparedness plans.
- All county supervisorial districts are reached. Diverse groups are receiving support including Asian, African, and Latinx communities.

Challenges

- Community fear is driving low attendance at certain community events.
- Community partners are operating on scarce resources due to funding cuts.

Next Steps

- Implement strategies to increase attendance at community events for partner who haven't yet met deliverables
- Increase partner engagement by hosting even more frequent gatherings in 2026.
- Increase collaboration by further sharing of information and best practices
